THE FORCE

Letter from the County President

Hello everyone! Spring has sprung and with it primary season. My name is Arvina Bozarth and I have recently been elected President of the Perry County Democratic Association. A post most recently held by Kim Collins; big shoes to fill but I am eager to give it a try.

I would like to take this opportunity to encourage all my brother and sister Democrats to vote this primary

season. I am serving with a wonderful board of strong and committed Democrats. We have goals to see our party grow, aid our candidates, and maintain and gain our positions in local government.

Your support and hard work for the party has been outstanding and I assure you that I, along with other Perry County office holders, are grateful for the oppor-

tunities you have given us to serve you and yours.

See you at the polls!

THE DEMOCRATIC PARTY

For more than 200 years, the Democratic Party has represented the interests of working families, fighting for equal opportunities and justice for all Americans.

Today, Democrats continue that fight with a firm commitment to the values that we all share as Americans: a secure nation that leads in the world, strong economic growth and new jobs, affordable health care for all Americans, and a better education for our children.

"Ask not what your country can do for you— ask what you can do for your country."

John F. Kennedy
